## BULLDOG SEASON IS SUCCESSFUL SO FAR

The Grangeville Bulldogs have played six A-squads so far this season and have won five of these games. The A squad has played three games and have won them all. The B squad has won two A-games, lost one, and won from three B teams. Our Frosh boys have a team this year and have played two B-teams and have won both of these.

The A team this year has won from Orofino, Clearwater Valley High, and from Kendrick. They opened their first game with a gallant victory over Orofino, state champions for two years. The score was 45 to 33. They outplayed Valley High 45-23, and Kendrick 46-28.

The A team's scores so far this season have always read 45 at the sound of the horn. Lets hope the opposition doesn't get 46 or better.

The boys playing on the A team this year are: Seniors: Glen Hosley, center; Ted Jones, center and forward; Aaron Hutchins, forward; Art Wright, guard, and Johnny Shearer, center. Juniors: Bob Suhr and Louie Asker, guards; Glenn Simons and Stuart Bowles, forwards. We have one sophomore on the A squad this year. He is Glenn Johnson and plays guard. Gene Dye also plays some on the A team and the rest of the time on the B. He plays center.

Glen Hosley has made the most Bulldog points so far. He leads with 30 points and has played in 2 games. Ted Jones follows with 24 points and has played in 3 games. Bucky Bowles has the highest shooting average in field goals. He has made 68 per cent of his shots. He has attempted 13 and made nine. Ted Jones has made the best per cent of free throws. He has made two out of two to give him a 100% average. Hosley follows with 67% of free throws. Glen made 12 out of 20 free shots.

This year's coaches are Leonard (Eggie) Williams for the A and Frosh teams and George (Jackie) Ulrich for the B's.

### CHRISTMAS

Now that Christmas Season has rolled around again, it will mean the changing presents and decorating the tree.

Let us not forget in our gayety of the Christmas Season to remember the real meaning of Christmas. This great day was made possible by the birth of our Savior many years ago. We all know the Christmas story and love to hear it repeated every year.

Yes, Christmas is almost here, the Informer Staff wants to wish you all a very Merry Christmas and a holy and happy New Year.

### CAUTION TO STUDENT DRIVERS

Do you drive a car to school? If you do, can you honestly say you are careful? Most of us cannot. The three main reasons for unsafe driving are excessive speed, an overloaded car, and not concentrating while driving the car.

We have patrol boys on the job at all streets around school. Pay particular attention to them when they are directing traffic.

Now that winter has come again and roads are slippery, be especially careful.

Have you ever stopped to think that even though driving is fun, it is a great responsibility.

### WHO'S WHOSIT?

The who' whosit this week is from the superb junior class. On a bright and sunny morning of July 13, a wail from a sweet little boy filled the entire building of the hospital. This little boy has grown up to be 16 years old, 6' 2" and weighs 182 lbs. His favorite teacher is Mr. Bunting, favorite subject is American History, and his pet peeve is FORDS. He says his favorite females are Esquire girls and his favorite sport is basketball. He likes "Pierless Chewin' Tobacco" and dislikes tomatoes. You may remember his dashing figure as Henry in the Junior Play.

Last issue's who's whosit was Carol Sue Ailor.

**PEP ASSEMBLY**

On Friday, Dec. 8, the high school held a pep assembly for the Kendrick game. Coach E. Williams gave a talk to the students and brought out these four points—(1) that he liked the way the Pep Band, Yell leaders and Student Body as a yelling section is backing up the team; (2) that next year we would be an "A" school and this year would be a good chance for us to go ta State; (3) that the sportmanship award will be determined by the coaches and referees this year and they are going to judge the yelling sections as well as the teams; (4) that the sub-district tournament would be held here.

**BULLDOGS TROUNCE MANIACS IN OPENER**

Grangeville opened its first hoop-meet here Friday night when the Bulldogs overran the Maniacs of Orofino, the score reading 45-33.

The Orofino team has been the B Class state-champions for the last two seasons but they lost 7 men by graduation last spring. Orofino's coach, Wilber Montgomery, when asked Friday about prospects for his team for this season said, "You can count us out as far as champions go this year." The Orofino high school has increased to over 250 students which puts them into the A-class bracket and it is to a great disadvantage to them.

The game opened with Grangeville getting the tip and Glen Hosley pushed through a hook-shot to start the game to rollin'. Orofino then followed with a basket. Then the two teams tightened down their defense and made both teams "really work" to get a basket.

Glen Hosley led the Bulldogs with 16 points before being taken from the game by foul route; while Kay Kalbfliish stood out for Orofino with 12 points to his credit.

Grangeville attempted 68 field goals and made 18. Orofino attempted 47 and made 14. Grangeville attempted 18 free throws and made 9, while Orofino made 5 out of 15.

Orofino: 10, 17, 24, 33.  
Grangeville: 15, 22, 37, 45.

In the preliminary game the Grangeville B's beat Orofino's 42-17. Grangeville out scored the opposition all through the game and in the third quarter held them scoreless. Bill Durham led the Bullpups with 7 points and Vernon Holbrook followed with 6. Andrews, Bloom, and Ankney shared the high for Orofino's B squad with 4 points each.

After the final game, coach Leonard (Eggie) Williams said that he was "well pleased with the way the team played."

The Lions Club of Grangeville sponsord the game and all proceeds will be used in lighting the high school football field.

Monday, December 4, the A and B teams traveled to Stites and beat Valley High 43 to 23 in the A game and 60 to 12 in the B game.

**"G" CLUB NEWS**

The "G" Club held a meeting during the last month and voted to sponsor a basketball game with the Girl Globe Trotters playing.

**GRANGEVILLE TOPS IN DOUBLE HEADER**

Again the Bulldogs came out victorious when they took a double header from Kendrick and St. Gertrude's Academy 40 to 31.

Good backboard work gave Grangeville a great advantage when they met the Kendrick Tigers Saturday, December 9. Jones and Hosley "our tall men" pretty well controlled the backboards.

Glen Hosley, our pivot man, led the Bulldogs with 14 points and Ted Jones followed with eleven. Ted played a good game as did S. Bowles and B. Suhr.

Grangeville attempted 34 field goals and made 20, Kendrick attempted 24 and made 12. Grangeville attempted 11 free throws and made 5, Kendrick attempted 7 and made 3.

Score by quarters:  
Grangeville: 12, 25, 34, 45.  
Kendrick: 5, 14, 23, 28.

In the preliminary game the Bullpups conquered the Academy's quintet, the score reading 40 to 31. Vernon Holbrook stood out for the B's with 14 points and Tommy Vopat followed with 10. Rad led the Academy with 17 points.

Many of the game fans went to the old gym to a good dance put on by the sophomore class after the game.

**GRANGEVILLE WINS SECOND HOOP MEET**

Grangeville's A and B teams traveled to Stites, Monday night to win their second ballgame of the season, when they beat Clearwater Valley High 42-23. The team squeezed up in the small gym went to pieces during the first half and was trailing at halftime, the score reading 18-13, in favor of the opposition.

A short pep talk from coach Williams, sent them driving on to their second victory. They began hitting the hoop and played much better ball the second half and came out in the final with a 43-23 victory.

Ted Jones and Louie Asker led the Bulldogs with 11 points. An oiled floor made it slippery and there were many floor burns on the fellows when they returned to their dressing rooms at the end of the game.

Grangeville attempted 68 field goals and made 19, while Valley attempted 42 and made 8. Grangeville attempted 11 free throws and made 5, while the opposition attempted 22 and made 7.

The pep band went to the game as did many of the student body and the gym was filled with very good music and lots of yells.

**BULLDOGS EDGE OUT GREENCREEK TIGERS**

The Grangeville B and Frosh basketball squads traveled to Cottonwood Friday, December 8, to win a double header from the Greencreek A and B teams.

Grangeville's B's won their game by a narrow margin of 2 points. The score at the sound of the horn was 32-30. After leading the Tigers most of the game, the quintet slipped back in the final period and led by one basket.

Gene Dye led the home team with 6 points and Eimers and Holbrook followed with 5 each. A. Schumaker, a guard on the Greencreek team, led with 14 points and played very good ball. This was a conference game and many rooters attended the game from both schools, and of course the Grangeville Peppy Pep Band filled the gym with beautiful music, as well as many cheers.

Score by quarters:  
Grangeville: 8, 17, 27, 32.  
Greencreek: 7, 10, 17, 30.

In the preliminary game the Frosh boys beat Greencreek's B squad 26 to 20. Jimmy Hardin led the Frosh with 7 points and Bob Johnson followed with six.
