U. S. Becoming Air Minded

On January 30, the Aeronautics class was fortunate to have Mr. Tom Croson, Sales Manager of Empire Airlines located at Lewiston, speak to them about opportunities in the field of airlines. Mr. Croson has been with Empire Airlines for quite a number of years.

"Airlines is one of the most open fields for work today," Mr. Croson said. He went on to say, "the need for pilots is so great that United Airlines is accepting pilots with only commercial training."

Mr. Croson told of a case in California between Los Angeles and San Francisco of an airplane service that carried more passengers in a month than the bus service did between these two cities. This shows how America is starting to take to the air.

Mr. Croson also expressed that the lowering of airplane rates is going to give the airlines a tremendous increase in passenger and freight service. This will mean an increase in manpower for mechanics, pilots, stewardesses, technicians, etc. The field in aviation is becoming larger each day, thus showing what an open field it is going to offer to young men and women when they get out of high school.

Mr. Croson is a scheduled speaker for G.H.S. later in the school year.

High School Lacks Interest in Drive

The recent March of Dimes drive held in the school system was far from successful.

Three separate contests were held for the polio drive. Competing for prizes were the first four grades, grades five through eight, and the high school. In the elementary group Mrs. Klappenbach's fourth grade won with \$14.55. In the junior high group, Mrs. Mahurin's sixth grade took the prize with \$55.10 contributed. Congratulations to the grade school, but, oh brother, the high school!

The freshmen topped the high school with \$6.86; the sophomores second with \$3.28; the seniors third with 2.74; and the Juniors last with a mere \$1.65.

Prizes of candy were provided by the Soroptimist Club, A.A.U.W. and the Jay-C-Ettes.

HE GETS HIS ANSWER

Mr. Bunting talking to his American Government class:

Mr. Bunting: Louie, can you tell me what they do in a political party?

Louie: Yes, they drink campaign.

F.H.A. SPONSORS SMORGASBORD

Food, food and more food was the theme of the F.H.A. Smorgasbord. It represents a lot of work and time spent by F.H.A. members. It was held in the old gym on Sunday, January 27 and was attended by a large crowd of about 300 people. The food was placed on three tier tables to the spring theme.

There was a large variety of dishes, something pleasing to everyone's taste.

Annual Staff Calls For Pictures

The Annual Staff is having pictures taken beginning on the 19th of February. A notice will be on the bulletin of the pictures to be taken that day and the time they will be taken. We expect you to be prompt, for your cooperation is one of the chief requisites at this time.

Students were really doing a fine job of turning in snaps for a while, but right now, the snap editor doesn't know where the next snap is coming from. If you want a good section of snap pages, help us by turning in a snap of anything you have. Remember, the contributor of the best snap receives a free annual.

If you've looked thru that photo album of yours for a picture of yourself for the Stampix Picture Stamps and you can't find a good one we've news for you. We have been taking portrait pictures of students and the results have been fine. If you are interested, please contact Lowell Martin or Dave Omans for arrangements.

BROWN MOTORS DONATE WARM-UP JACKETS

The basketball team has received new warm-up jackets. These jackets were donated by the Brown Motors Company of Grangeville headed by Dale Eimers.

The jackets are made of blue satin, trimmed in white, and have Grangeville Bulldogs written across the back.

"G" CLUB

On January 31, the "G" Club held a special meeting. The purpose of this meeting was to make arrangements for the "G" Club dance.

The club also decided to give \$500 into the lighting fund for the football field, and then at the end of the year give the rest of the club's funds.

Also taken into discussion was to get "G" pins that could be pinned on sweaters. Samples of these pins have been sent for so that members may see them before buying them.

Otto Featured In Nat'l Program

Al Otto was the guest speaker at the National Assembly January 22. He gave an interesting discussion on the Crypt of Civilization and the Time Capsule. These vaults, contain everything from peanuts and reading material to familiar household articles, which were in common use in 1940. These articles were placed in the ground to be opened many years hence. The people who made the vaults possible believed that these projects, when opened, would be a great help to scientists, trying to learn what our world was like, understand more easily. Since most of us were very young at the time of these undertakings, the information was new and interesting.

The Senior and Junior high school would like to take this opportunity to thank Mr. Otto for a very interesting and educational program.

RADIO STATION TO BEGIN BROADCASTING SOON

"The newly formed G.H.S. broadcasting station will soon begin broadcasting, possibly within the next week." These are the words Mr. Bunting said in describing the radio stations progress.

The organizing of the Radio Club took place January 29, with approximately twenty-two students represented.

Jane Heron was appointed program manager and Irene Arnzen and Bill Wagner were appointed her assistants. Mr. Klappenbaugh and Mr. Caine are setting the station up and it is necessary to build an antenna before broadcasting can commence.

The Radio Club is asking for records which the students will donate. There is a great need for records and the Radio Club wants the cooperation of all the students to turn in their old records so that the school can make the radio station a success.

SENIORS SELECT PLAY

The Senior class has selected "Brides to Burn," a comedy farce, written by Jay Tobias as the play they will present later in the school term.

The play is riotous entertainment, rich in absurd situations. Gilroy Gundy, a rich heir to his aunt's fortune, is being helped when it comes to picking his bride. Although not in love with Trudi, they become engaged. Gil becomes a victim of amnesia and during his blank period he is being accused of being a bigamist. He was supposed to have married a fiery Mexican girl and the Princess Boggie-Woogie. The incidents that follow are hilarious, so don't miss the senior class play.

OBSERVANCE OF BROTHERHOOD WEEK

Each year a time is set for the purpose of Brotherhood Week. Brotherhood Week will be observed February 17-24, this year.

Brotherhood Week serves to give people an opportunity to rededicate themselves as individuals to the basic ideals of respect for others and for the human rights which are essential to the good way of life, to dramatize the practical things which people can do to promote an understanding and realization of these ideals, and to enlist the support of a larger number of people in year-round activities to build brotherhood.

If intergroup attitudes and habits of action are to be changed from hostility and conflict, that change will result from the activities of those agencies which create attitudes, namely, the home, church, school clubs and community organizations and the mediums of communication, radio, motion picture, press, and advertising.

This is why, today, that every community forms a committee to develop programs of intergroup education which are suitable and practical for the many types of activity represented in a community. Together all those programs form an integrated, comprehensive approach to intergroup relations involving the entire community.

F. H. A COMMENTED

The F. H. A. should well be commented on the Smorgassborg they recently sponsored. This is the first time such an event has been held in Grangeville for quite some time and the F. H. A. did a wonderful job of sponsoring such an occasion. It was certainly a wonderful way to bring the citizens of Grangeville into the school to see what projects are being carried on by the students and teachers. More of these kinds of projects or occasions should be sponsored to help acquaint the people of Grangeville with our school system.

DRIVE UNSUCCESSFUL

The recent polio drive held in the school system showed how little the cooperation was in the class groups. Out of 250 students in high school,

FRESHMAN CLASS NEWS

The Frosh Frolic was the topic of the freshman class meeting held February 6 in the auditorium. March 14 is the date decided upon for the Frosh Frolic. Committees were appointed. They want a good turnout and hope everyone will come.

SOPHMORE CLASS NEWS

In the Sophmore class meeting we discussed the sweater dance we are to sponsor. The date for the dance was set for February 29.

The dance will start at 8:00 p.m. in the old gym. The admission will be 75 cents a couple. Prizes will be awarded for the most original sweater. The best dancing couple will be chosen King and Queen of the dance.

JUNIOR CLASS NEWS

In our class meeting on January 31, the Junior Prom was the theme of our discussions. April 26 was set as the date for it. No band or theme has been selected but committees were appointed to look into the various unsettled matters. It was decided not to serve refreshments. The Prom will be public with invitations sent only to neighboring schools.

SENIOR CLASS NEWS

President Jack Heartburg called a meeting of the Senior Class on January 27, in which we discussed the plans for the Senior play. Mr. Bunting read several plays to the class. The play "Brides to Burn" written by Jay Tobias was finally selected. The play books should arrive any day now.

Inscription on a cigarette lighter: "To my Matchless wife."

only \$14.56 was contributed into the polio fund, an average of a little over 5 cents a person.

The grade school far outdid the high school. Probably the reason that students don't contribute to such drives is lack of interest, but stop to think and ask yourself if it is fair for other people to contribute, not you, and you get the same benefits as the others that have paid.

The recently sponsored F.H.A. Smorgasborg was a financial success. The club served about 210 people and made around \$250.

G.A.A. DISCUSS BANQUET

On Tuesday, February 5, the G.A.A. held a meeting. The club discussed the Mother-Daughter Banquet which will be held March 28 for the G.A.A. members and their mothers.

The possibility of having a slumber party was also discussed. The Constitution was read for the benefit of the new members and then the meeting was adjourned.

Muscians Present Annual Concert

A special attraction on Tuesday, February 5, was a Valentine Concert presented by the Grangeville music department.

The program consisted of the following numbers presented by the Senior Band: Entry of the Gladiators, Come Sweet Death, Night Beat, Footlifter, Three Bears, Albanian, Boogie Woogie Band, and Indiana State Band. Several selections were played by the Junior High Band and the Tonette Band.

The concert proved very successful with a large crowd attending.

The gym was decorated very nicely with red and white crepe paper. As you entered the building, huge white letters in the background, greeted you with "Valentine Greetings."

The Sophomore class has set the date for their annual Sweater Dance for the 29th of this month at 8:00 p.m. in the old gym.

KNOW YOUR TEACHER

In the year (??) on March 26 a little girl was born to Mr. and Mrs. Jim Brownson.

After twelve long years of school she graduated, "probably with many honors," from Lincoln, Nebraska, High School.

During her college years she has attended Washington, Idaho, and Nebraska Universities. She received her degree from the Northwest Nazarene College.

Among her likes are decent weather and piano music. Her one main dislike is mimeographing. She is none other than Mrs. Billie Caine.

QUESTION?

What happened to the rest of the Senior snoop?

Answer: Because of unavoidable complications the pet peeves, nicknames and pastimes of the 30 Seniors who appeared in the Bulldog Special, will be listed in order in the next issue of the Bulldog Special.

SUHR TAKES ANNAPOLIS TEST RESULTS STILL PENDING

On January 14, 1952 at the Grangeville Post Office Bob Suhr took the Annapolis Designation Test.

The test was given to determine the position for candidacy to the naval academy at Annapolis. Every Senator and Representative in Idaho can make one appointment. Bob's authorization to take this test came from Senator Henry Dworshak.

The Senator or Representative gives the test and grades the person that takes it into two principles and three alternates according to their test grade. The first principle gets the first chance to enter the academy, but may not qualify because of physical defects. Then the second principle has a chance and so on down to the third alternate.

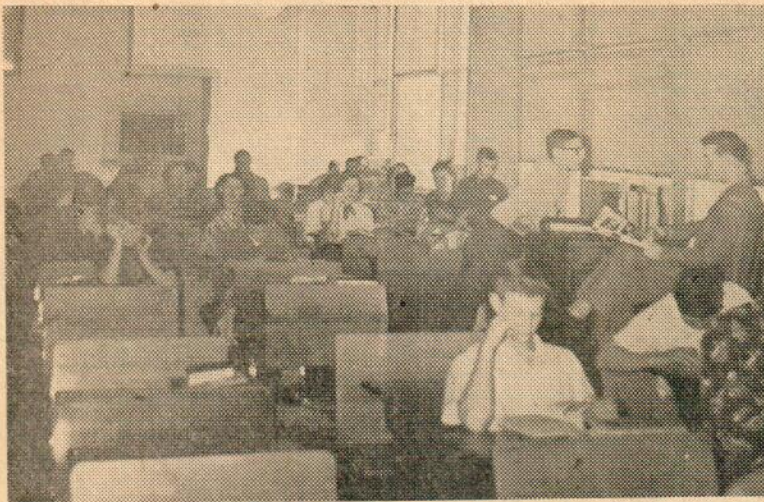

The test was sent to Washington, D.C., to be graded and as yet, Bob hasn't received any answer.

Bob, on behalf of the student body, we would like to wish you lots of luck.

What's A Boy?

"After a male has grown out of long dresses and triangles and has acquired pants, freckles and so much dirt that relatives don't care to kiss it between meals, it becomes a boy. A boy is Nature's answer to the false belief that there is no such thing as perpetual motion. He can run like a deer, swim like a fish, climb like a squirrel, balk like a mule, bellow like a bull, eat like a pig, or act like a jackass, according to climatic conditions. The world is so full of boys that it's impossible to touch off a firecracker, strike up a band or pitch a ball without collecting dozens of them. The boy is a natural spectator; he watches parades, fires, fights, football games with equal fervor. However, he will not watch a clock... A boy is a piece of skin stretched over an appetite. Boys imitate their dads in spite of all efforts to teach them good manners. Boys are very durable. A boy, if not washed too often and if kept in a cool, quiet place after each accident, will survive broken bones, hornets nests, swimming holes, and five helpings of pie. When he grows up he'll trade puppy love, energy, warts, bashfulness and a cast iron stomach for a bay window pride, ambition, pretense and a bald head and will immediately begin to say that "boys aren't what they used to be in the good old days."

THAT TEMPERAMENTAL NASH

By Dick Troeh

I have a teacher,
 And he's got a Nash,
 That Nash is temperamental,
 It nearly fell apart with a crash.

I remember that day,
 It'd freeze the eyes off an old cold
 tater,
 He had two flat tires,
 and a boiled over raidator.

Quite a combination,
 Long with the wind and snow,
 But we got some water,
 And made that old Nash go.

Oh, how perplexed was Mr. Johnston,
 (That's the teacher's name)
 He jumped up and down,
 He still likes Nashes, just the same.

All I can say is this:
 Maybe he's wrong and maybe he's
 right,
 But the Mrs. trusts him a long way,
 That Nash could keep him out all
 night.

"I saw you the other day at the
 corner of Hollywood and Vine wink-
 ing at the girls."

"I wasn't winking. That's a windy
 corner, something got in my eye."
 "She got in your car too."

Ferdinand Edges Bullpups, 41-39

Bob Kinzer, Ferdinand center, dumped in a lay-in in the last 15 seconds of play to give the Eagles a hard earned 41-39 basketball victory over the Grangeville B team.

The "B's" started out strong taking a first quarter margin, 11-8. They went behind at the half at 17-15, but rallied to tie the score at 31-all at the end of the third quarter. In the fourth quarter it looked like the game would go into overtime, but Kinzer sank his shot and that was the game.

Kinzer was high scorer for the evening with 21. Bob Johnson led the Bullpups with 11.

SENIORS EDGED, 42-40

St. Gertrude's Academy of Cottonwood edged by the Grangeville High School Seniors, 42-40 in their own gym.

The Seniors were hard pressed in the small gym by a zone defense and it wasn't until the last quarter that they were able to penetrate through it.

Bruegeman topped scoring with 21. Jerry Martin was high for the Seniors with 14.

What Is a Woman?

If you ignore her, she likes you.

If you're nice to her, she doesn't care for you; you're too easy.

If you try to be friends with all the girls, she thinks you're a flirt.

If you try to live for her alone, she thinks you're too serious.

If you arrive on time, she isn't ready.

If you don't, you never hear the end of it.

If you ask her where she wants to go she doesn't know.

If you plan the evenings activities for her, she fumes because she isn't doing what she wants to.

If you're smooth she wonders where you got the experience.

If you aren't she doesn't have any respect for you.

If you try to kiss her good night she fights.

Bulldog Rally Stops Maniacs

The Grangeville Bulldogs rallied brilliantly in the last half to stop the Orofino Maniacs, 40-39. The victory gave Grangeville a split in its two game series with Orofino. The Maniacs had previously taken a 28-27 overtime decision on their own court.

Orofino started out strong, running up a 13-1 advantage with six minutes in the first period. Orofino was still hitting the hoop at a steady pace to go into a 26-14 halftime advantage.

The Bulldogs stormed out at halftime with a barrage of baskets that cut Orofino's lead to 33-28 after three quarters of play. The Bulldogs caught up at 34-all and went ahead to stay 38-36. Grangeville stalled the remaining three minutes.

Glenn Johnson and Vernon Holbrook paced the Bulldogs with 12 each. Jack Gilmer was high for the Maniacs with 13.

ST. GERTRUDE'S BEAT SENIORS SECOND TIME

The Grangeville High School Seniors lost their second decision of the season to St. Gertrude's Academy, 50-39. The Seniors began to hit the hoop from the opening whistle and were leading 13-0 before St. Gertrude's ever scored. St. Gertrude's warmed up in the second quarter and had closed the gap to 23-22 at half-time.

St. Gertrude's threw up a tight zone defense in the last half and kept the Seniors shooting from far out, while on the other hand, St. Gertrude's was breaking through for easy lay-ins.

Glenn Simons led the Seniors with 11. Bruegeman was high scorer for the evening with 17.

The teacher wrote on the blackboard: "I ain't had no fun all summer." Then she asked a youngster in the front row: "Harry, what should I do to correct that?"

Many of the students swinged and swayed at the G spree, a dance sponsored by the G Club February 2, after the basketball game with Genesee.

Proceeds from this dance went into the fund for lighting the football field. The "G" Club wishes to thank the students for their cooperation in making the "G" spree a success.

Craigmont Stops Bulldogs, 43-40

Bob Riggers, Craigmont squad, stole the ball and raced in for a lay-in in the last 30 seconds of play to give the Cougars a 43-40 basketball victory over the Grangeville Bulldogs.

Both teams found the hoop in the opening period. When it was over Craigmont led 13-12.

In the second quarter Craigmont pulled ahead on a couple of free-throws to lead 24-21.

The Bulldogs came back at halftime and went into a 29-29 tie at the end of three quarters of play. Grangeville went into the lead at 40-39 and began to stall with two minutes remaining, but Craigmont got two quick baskets and the game was over.

COUNCIL DISCUSSES YOUTH RECREATION

On December 11, 1951, the student council met with the Youth Recreation Committee consisting of Mrs. Keith, Rev. Tooley, Rev. Warner, John Olmsted, Roy Troeh, W. D. Stearns.

The students gave their ideas on the great need of a recreation center for the youth. Several students mentioned the need for somewhere to go after school activities. The most logical solution seemed to be that if a center were to be established it should be student owned and operated. Ways and means of earning money to operate it were also discussed.

In summing up the students ideas the committee found that the students were not in need of more school activities but rather a place to go after games and other school activities to dance or for soft drinks.

Funeral Fun

A man and his wife had mistaken the hour for the funeral of a business acquaintance and arrived much too early. They sat alone in the chapel for some time and then the man began to wander about, inspecting the elaborate architecture. Presently he noticed a row of electric buttons on a wall panel and, out of boredom, experimentally pressed the top one. Instantly the golden lights in the chapel changed to a soft shade of pink. Enchanted, he pressed another button and the lights turned delicately blue. He tried a third: the result that time was soft music from an unseen organ.

This was a delightful game. Glee-fully our man manipulated a fourth button—and suddenly the casket, which had been resting (closed) before the altar, went into stately motion. Turning itself around, it started slowly down the aisle, gliding soundlessly on a steel track toward a pair of huge bronze doors, which now began to open like the Pearly Gates. The casket went inexplorably through, came to rest on a kind of elevator, and sank out of sight into what was obviously a crematorium. The bronze doors closed with a sighing sound, reverent and final, like a whispered "Amen."

The aghast couple fled. For all we know they are fleeing still.—Taken from the Reader's Digest.

BELL TELEPHONE PRESENTS ASSEMBLY

Last Tuesday, February 12, Bob Young presented the high school with a very interesting assembly on how sound travels and how a person talks. Mr. Young is regional supervisor for the Bell Telephone Company.

He chose volunteers, Marjorie Hauger and Dalas Smith, from the audience to participate in a demonstration of transmitting electric current through the human body to light a fluorescent light.

Mr. Young also gave a demonstration of how scientific development has discovered how to make an artificial larynx and artificial lung. Mr. Young sang a duet by using his own voice and the artificial larynx.

The Grangeville Public School system would like to take time to thank the Pacific Bell Telephone Company for bringing Bob Young to our school.
