## "A" Squad Wins 9 Out of 10 Games

Grangeville's "high flying A Squad" who's only defeat being to the Kendrick Tigers on the latters floor, have won 9 of the 10 games they have played thus for this season.

Due to the number of games scheduled this year, the "B" squad has had to play some of the "A" squad's games in order that they will be eligible for the district tournament at Lewiston. They are only allowed to play twenty games before the district tournament and this counts our sub-district tournament here at Grangeville.

This year Glen Hosley is leading in scoring with a total of 112 points in 10 games for an average of 11.2 points a game. He is followed by Stuart "Bucky" Bowles with a total of 66 points. Bowles has the best average from the floor sinking 29 of the 67 times he had fired at the rim for a 43% average. Aaron Hutchins leads in the free throw department with 5 out of the 6 he had attempted, made good for a 83% average. Hosley follows with 42 for a 47% average.

Gene Shira has been brought up from the "B" Squad to the "A" in the past week.

Grangeville is one of the logical class B contenders this year for state honors so lets all get behind our team and give them all our support and even then some.

## G. A. A. Assembly

The Girl's Association's Christmas assembly was presented to the high school at 3:00, December 22nd.

Laura Higgins, who was chairman of the program, opened the assembly by reading the traditional Christmas Story according to Saint Luke.

Pat Anderson read "The Night Before Christmas" and then the Triple Trio sang "The First Noel" accompanied by Rosalie Space. Virginia Wagner read the famous "The Littlest Angel" which was followed by a one act comedy "Pop Reads the Christmas Carol." The cast which included John Shearer, Marion Ackerman, Gene Dye, Jimmy Brewster, Ruth Vedder, Clarence Hardin and Laura Higgins, did a wonderful job and the audience was kept laughing through the entire play. Frieda Young recited "The Volunteer Organist" and the assembly was brought to a close by the entire student body and teachers singing carols led by Mr. Johnston.

## 1951 Sub-District Basketball

The tournament has been scheduled to take place February 14th, 15th, and 16th. It will be held in the high school gymnasium.

The following teams will participate in the tournament: Greencreek, Cottonwood, Nezperce, Ferdinand, Craigmont, and Grangeville. The champions and runner-up of this tournament will take part in the Dist. Tournament at Lewiston.

Referees for the various games will be Archie George of Clarkston, Dick Tyson of Moscow, and Dwight Church of Lewiston.

Various high school organizations will sell concessions during the games. The boys "G" Club will sell popcorn, peanuts, hot dogs, and ice cream bars. The band will sell pop and the F.H.A. will sell candy bars.

## PEP ASSEMBLY

Friday, Jan. 12, there was a pep assembly at 3:30 in the auditorium. The "A" squad yell leaders presented the student body with a few new band yells, the band played, and the "B" squad yell leaders did a few yells which were all full of life. The "A" and "B" squad yell leaders then came on the stage to lead the audience in our school song.

## Christmas Choral Concert

On December 21, 1950, the High School Chorus, Glee Club, Triple Trio and Junior High Triple Trio held a Christmas Choral Concert directed by Ted Johnston and Madelyn Wagner.

Solos were sung by Esther Wine, Ruthy Vedder, Gail Dennis, Diane Gilmore, and Clarence Hardin.

The program was presented in the evening for the community.

The Candle light procession started the program. It was very impressive. Every choraller carried a lighted candle which reflected the beauty of the formal dress. The Mixed Chorus formed on the lighted stage for their first number, and were followed by the Girls Glee Club singing four selections, and the Junior High Triple Trio and Senior High Triple Trio singing their selected songs for the program.

We give a vote of thanks to Rosalie Space, our accompanist.

## "Bullpup" Record One Loss 9 Games

The Grangeville "B" squad has an excellent record so far this season. They have won 8 of 9 games thus far this season. Their only defeat being to Cottonwood's "A" squad.

## SCHOOL SPIRIT

School Spirit — that's a small phrase that doesn't mean much you say, but actually it covers a part of every thing you and your school does; going to school functions, working to keep up the name of your school, doing things assigned to you by your class president, and supporting your team and cheerleaders.

Each one of these items is one in itself and the one I'm going to write about is supporting your team and cheerleaders.

Some say cheerleading is a small extra curricular but it is hard, tedious work along with fun. Working out new yells, getting them across to the student body, and keeping pep and enthusiasm thru-out the crowd. They practice noons and after school to keep in fit and to keep from getting rusty.

The students have backed the team and cheerleaders 100% by attending the out of town games and showing the other schools that Grangeville is always in there pitching whether it be a defeat or a victory.

We seldom hear a boo coming from the Grangeville section, but once in a while one does leak out. Let's keep the name of our school free from this poor sportsmanship. Those referees are out there trying to be fair to both teams, maybe once in a while they call one that you don't think is right but you have to agree they are pretty fair.

The school has done very well in supporting the team and cheerleaders so far, let's keep up the good work.

## WHY WE SHOULD TRAIN

At the start of each basketball season the coach posts a set of training rules for the boys on the team to follow. These rules are a necessity for the players, to keep them in shape so they may play the games in their best physical condition. The

coach doesn't give the rules to the fellows to restrict them, but because he knows they need them.

The athletes of G.H.S. are the representatives of the school. They are the ones that are most noticed by the townspeople and the outsiders. It is their attitude and actions that show these people what this school is and what its principles are. Training rules in this respect, if they are followed, give the school as a whole the support and respect of those on the "outside."

Those who belong to the athletic squad owe it to themselves and to the coaches who work very hard and patiently with them to keep in training and uphold the prestige of the school.

How about it fellows? It's up to you. Let's go to State.

## Who's Whosit?

This dashing little fellow is taken from the Frosh class. He weighs 110 lbs. and is 5' 2½" tall, and his eyes are blue. His favorite teacher is Mr. Williams, favorite subject is shop and his favorite sport is basketball. He has a new crew cut and was the mean little brother in the G.A.A. Christmas play. His pet peeve is tall people and among his likes are girls, especially a little gal by the name of Donna W. Last week's was Gene Dye.

## Know Your Teacher

Billie Caine was born March 26, at Crete, Nebraska. She attended grade and high school at Lincoln, Nebraska. Graduated with degree from Nampa, Idaho, and since then has attended Nebraska and Washington Universities majoring in English and minoring in business.

Before coming to Grangeville, where she has been for the last three years, she taught at Nampa, Star, and Middleton.

Mrs. Caine is sponsor of the Blue Camas, co-sponsor of the Informer and the senior class. She is also an active member of three business education associations; A.A.U.W.; Delta Kappa Gamma, an honorary teachers sorority.

Some of her dislikes are rudeness, windstorms, fishing, turnips and housework. But she enjoys playing the piano, traveling, teaching and baking.

Among other responsibilities—Don, Donny, and a cocker spaniel, named Candy Caine.

## Fads & Fashions

Check and double check! We're talking about that rust and brown checked coat of Diane Gilmore's in case you're wondering.

Another coat in the news this issue, is Frances Hatch's bright-red three-quarter length one. Christmas present?

"Shades of old Ireland!" We're talking about those blouses, sweaters, and coat of Martha Stearns. All of varying shades of green—but pretty.

That "Como-blue" sweater of Joan Weider's isn't new, but it's shore purty! Only one like it around G.H.S. too.

Donna Shively's sweater and skirt set is really eye-catching. Wondered when someone would get one. . . lucky girl!

Quite an expensive fad—but just look at all those new watches blossoming out since Christmas. Jean T., Norma Mc., and Ruthey V.

Speaking of Norma, have you noticed that diamond sparkling on her left hand? When's the date?

Esther Wine has a new blue plaid wool dress. Very nice, Esther.

### BULLDOGS TROUNCE CRAIGMONT COUGARS

Trailing at half time and coming up with a great burst of scoring the Grangeville Bulldogs over-ran the Craigmont Cougars, the score reading 43 to 22 at the final period.

The Bulldogs didn't do too good in the first half and failed to get many shots away and trailed at half time 12 to 10. Grangeville was ahead 7 to 5 at the end of the first period and 24 to 20 in the third.

The fourth quarter was all Grangeville's. They scored 19 points while Craigmont only had two.

Bucky Bowles corner shots led the Bulldogs with 14 points to his credit. Jack Pressnell led the Cougars with 9 points. Fouling proved to pull Craigmont down and three players left the game via foul route leaving only 4 players on the floor at the closing of the game.

In the preliminary match the Bullpups beat the Kitten 49 to 20. Tommy Eimers led for G.H.S. in this game and Jack Bruegeman led for C.H.S.

## ★ CLUB NEWS

### G.A.A.

Before Christmas the G.A.A. held a meeting in which we decided to send toys or other presents to the Shrine Hospital in Spokane.

On January 4, we held a night meeting in the Home Ec. room at which we decided to sponsor a sleigh riding party. Each member is to ask either a girl or boy to attend it as their guest.

### KENDRICK DEFEATS GRANGEVILLE FIVE

The bulldogs bowed to defeat for the first time this season when they played Kendrick on the latter's floor.

A sudden burst of speed sent the Kendrick Tigers in the final period out front by 6 points.

The score at half time was tied at quarter 10-7 and Kendrick led the third and final quarters 27-26 and 41-35.

Glen Hosley led the Bulldogs with 11 points and Glen Johnson followed with 9. Smith of Kendrick led with 14 tallies and Clemenhagen followed with 11 points.

In a previous game with Kendrick, played here, Grangeville was victorious 45-28.

### LIBRARY

The library has started to type the cards for the new card catalogue. These cards will be placed in the new card catalogue box and folk in library for librarian to use.

## National Assembly

January eighth, in nineteen hundred and fifty-one in the auditorium, in which all the seats were filled, even the balcony, was the time and place of a new and interesting National Assembly.

Mr. Wincox and Mr. Hinshaw came to entertain us with Mr. Wincox singing and Mr. Hinshaw playing the piano.

Mr. Wincox started off the program by singing "Oh What A Beautiful Morning," to "Weeping Willow" Ted Jonets.

Mr. Wincox accomplished something that nobody has ever been able to do before, he made Virginia Wagner blush as he sang the "Desert Song" to her.

Mr. Wincox sang a song foreign to us, "Goodnight Irene." It seems that he and Audrey Korman were married one Saturday night. He didn't seem to feel too sad about it though, because the way he sang to Donna Shively, a person would think that he was going to try it again as he sang to her "I'll See You in My Dreams."

Mr. Wincox told Babe Hosley to "stop rambling, stop gambling, and staying out late at night," (Anyway Babe, it isn't good when you are in training.)

His accompanist, Mr. Hinshaw, performed a beautiful job on a boogie woogie number and on the "Polonaise Concerto in A Flat." He also entertained us by playing "The Diary of a Fly." The poor fly seemed to have fallen into a cup of coffee, he sure had a bad time, but later he escaped and was safe again and everybody was happy, except, of course, the guy who drank the coffee.

### SLEIGH RIDING PARTY GIVEN

The fourteenth of December the G.A.A. held a sleigh riding party at Mt. Idaho. Besides enjoying sleigh riding we all had a big snow ball fight which ended in everyone getting their faces washed. Afterwards the G.A.A. invited everyone to Flora Jane Heter's home.

Homemade chili was served and about twenty-five attended.

## Former Prison Inmate Speaker

January 17, Mr. Snow Allen lectured to Grangeville Jr. and Sr. high school students. He spoke of his experience as a prisoner in the Illinois State Penitentiary, where he was sentenced to a twenty year term for forgery.

He made a lasting impression upon all as he spoke of the trifling matters of dishonesty which easily lead to a criminal offense. He pictured the awfulness of prison life, the disgrace upon self and family, and warned young people to keep on the right road.

### GRANGEVILLE WINS FROM COTTONWOOD

Again the Grangeville A and B teams were victorious when they beat the Cottonwood Mustangs 50-35 in A game and 65-12 in B game.

In the A game there was a great deal of shooting from out front by the guards especially on the Cottonwood team. Glen Hosley and Stuart Bowles led the Bulldogs with 10 points each and Gary Asker led the Mustangs with eleven.

Cottonwood lost three players via foul route.

Grangeville has won two conference games and lost one. The loss was to Cottonwood when the Grangeville B team tackled Cottonwood. Cottonwood has played three conference games winning two and losing one.

In the preliminary the Grangeville B team beat Cottonwood 65-12. All of Cottonwood's baskets, except one, were made from the Free Throw-line. Bill Wagner fouled out for Bullpups and Huntly for the Colts.

Tommy Eimers led the scoring with 12 points and Melvin Cash followed with nine. Butch Engle led for the opposition with 4 points.

The boy's "G" club is sponsoring the Globe Trotterettes January 25. During the Christmas vacation the boys unloaded a carload of coal for the school. This is one of the three that will be unloaded this school year. The boys are selling popcorn, peanuts, and ice cream bars at all of the home games.

### F.H.A.

The F.H.A. held a meeting in the Home Ec. room on Jan. 10 under their new President Virginia Wagner. The club planned a sleigh riding party for this month and discussed the luncheon for the basketball players next month. The F.H.A. is selling candy bars at the home basketball games.

### GRANGEVILLE SKINS LAPWAI WILDCATS

A long shot by Art Wright with 15 seconds remaining in the game put the game on ice for the Bulldogs when they played Lapwai on the home floor.

The Lapwai Wildcats and the Grangeville Bulldogs were a close match and a pretty well filled gym of sports fans witnessed an exciting 'fight to the finish' ball game.

Not more than 4 or 6 points separated the two teams during the entire game. It was a rough fast moving game and Wright suffered a cut over his eye from the ordeal.

Glen Hosley proved high point man with 20 points before fouling out and Monks of Lapwai led his team with eleven.

Also fouling out in the game were Glenn Johnson of G.H.S. and Sabotta of L. H.S.

Score by quarters:

	GHS	LHS
1st:	11	12
2nd:	17	18
3rd:	30	29
4th:	40	38

In the preliminary game the B squad played an intersquad match with the Juniors and one Freshman against the Sophomores and one Freshman. The Sophomores beat by one point.

The Frosh class threw a dance after the basketball game.

### BULLDOGS DEVOUR MANIAC'S QUINTET

Grangeville scored another win against last year's State B-class champions, when they over-ran the Orofino A and B teams on the latter's floor. The second half score was 18 to 16 and the final was 47 to 29. Grangeville was on the large end of the score both times.

Shots for both teams were not from any one spot but from all over the floor. Louie (Doodles) Asker wasn't satisfied with shooting from Grangeville's half of the floor and sent a beautiful crashing shot through from Orofino's half of the floor just as the horn sounded to end the first half.

Glen Hosley led for the Bulldogs with 16 points and Gilmer led for Orofino with twelve. Bob Suhr of Grangeville and Conroy of Orofino left the game via the foul route.

In the preliminary game the home Bee's beat Orofino's 23-15. In this game, Grangeville controlled the boards pretty well but didn't do too well in shooting. Vernon Holbrook led for Grangeville with 10 points five.

Orofino entertained Grangeville with two little boys boxing at half time of the A-game and a dance afterward. There were big crowds at both the game and the dance.
