EDITORIAL

The seniors have gone--this years work is almost over. Eight more credits have been earned by most of us.

The seniors have left and gone out into this great turmoil of life to fight their own ways.

The rest are looking forward to next year so as to continue their education and become better citizens.

We wish to dedicate this issue to the Seniors who have worked so hard to make this year a success. It is always a hard job to keep the high school organized and in an agreeable mood. This job is given the seniors and they have done very well.

Good luck, Seniors and may the seniors of next year have as good a year as you did.

SHADOW SOCIAL

Closing the school social functions was a Shadow Social given by the Annual Staff. This time the boys bid on the girls shadow and were they deceived. The only trouble was that there were a few too many boys. Some of the girls were bid on twice.

The social was scheduled to start at 7:00 but the bidding didn't begin till about 7:30. Every one had a good time trying to decide who was who. The bidding limit was \$1.50.

To The Big City

Students of G.H.S. should be very proud of their band for the fine way the school was represented in Spokane at the Lilac Festival. The horn blowers left 3 P.M. Friday, May 12 on a chartered bus. At approximately 5:00 P.M. they arrived in Lewiston and then went on to Spokane, arriving there at 10:00 P.M. The Grangeville band was 54th in the line-up of 100 bands. This meant approximately two hours of standing and waiting until our turn to march twenty-three blocks of Spokane streets. After the parade all of the students boarded the bus and were taken to Natatorium Park for rides and a picnic. We have done very well.

At 4:30 P.M. on Saturday afternoon they started the long ride home. They arrived at Grangeville late that night. Though there were many tired students, everyone had a wonderful time and are looking forward to another opportunity such as this one was.

CAN YOU IMAGINE

Richard Willey constructing an atomic bomb, a Shadow Social, Dean Simons teaching chemistry, the boys bid on the girls, Mr. Johnson getting a new car. The only trouble was that there was a few too many boys. Some of the girls were bid on twice. The social was scheduled to start at 7:00 but the bidding didn't begin till about 7:30. Every one had a good time trying to decide who was who. The bidding limit was \$1.50.

### MORE FUTURE HOUSE WIVES???????

More Future house wives are expected to graduate from Grangeville in the years to come. We expect this because of the well-attended tea the F.H.A. girls put on for the coming Frosh. The tea began at 2:00 May 12, in the Home Ec. room. It started with every ones favorite past time eating. After getting acquainted with the 8th grade girls and eating cookies, nuts, candy and drinking punch, Nancy McDonald gave a talk on what has taken place in the activities of the club for this year. Then then went upstairs to the auditorium where Fane Heron talked on the meaning of F.H.A. and its emblems, followed by a piano solo by Donna Shively and a song by Caroline Baily.

## F.H.A. PICNIC

Oh, my aching back, were the groans heard Monday, the day after the F. H. A. picnic.

The picnicians met at the Coffee Cup May 7, at 1:30 p.m. Here they crowded into a truck and were on their destination for the picnic grounds by the fish hatchery.

They started the joyous event off with an uproarious game of soft ball. The rain ran them out so they settled down to stuff themselves on food. The girls are watching their figures so went on a hike to wear off the lunch, here they met up with snow drifts and other minor details. It was not considered a huge turnout but those that did go had a wonderful time.

Around 4:30 p.m. they scrambled back into the truck and come home,
