Baseball Bulldogs Stand Up Well

Bulldogs

Turn Back Craigmont

The Grangeville Bulldogs turned back the Craigmont Cougar 5-0 in the first game of a three game series to decide the prairie championship. Grangeville got but two hits but capitalized on enough Craigmont errors to win. Johnson pitched for the winners giving up but 4 hits while Dorley, Craigmont hurler was charged with the loss.

Bulldogs Win

Prairie Championship

In the second game of the prairie play offs Grangeville trounced Craigmont for the second time, 11-5. Power at the plate and some Craigmont miscues added to the victory. Grangeville's hitting was led by Tom Vopat two singles and Vernon Holbrook's home-run with two on the third running. Glenn Johnson was the winning pitcher while Dailey was again charged with the loss.

Sub-District Tournament

Genesee Drop Bulldogs 5-4

Genesee turned back Grangeville 5-4 in the first game of the Sub-District baseball tournament at Kamiah. Lapwai later repulsed Genesee 15-5 to win the championship.

Grangeville collected all their runs in the fourth inning, while Genesee scattered their runs throughout the game.

G. Johnson gave up 9 hits in going the route while Genesee pitchers gave up but 4. Rabdeau and Bennett threw for Genesee.

Kubs Bow to Bulldogs

Grangeville chalked up its 12th victory in 17 games by turning back Kamiah at the latters field 5-3 in nine innings.

Bucky Bowles singled to center field in the ninth and drove in the winning run.

Glenn Johnson gave up but 2 hits while striking out 13 in going the full distance. R. Looney also struck out 13 but gave up 4 hits.

To the Graduating Class of "51" we dedicate this last issue of the Informer. The Informer Staff has greatly appreciated the help the Seniors have given us this year. We know the other clubs and the faculty will miss the fine co-operation they have given toward them as well.

I would personally like to thank the Editor for her fine help and co-operation. She has done a fine job.

12 long years of school have just been completed by the seniors of "51". They will now go out in the world and prove themselves. If they do as well a job in the future as they have done in the past they will not have any trouble.

We are going to miss the Graduating Class of "51" very much. Best of luck and happiness to you, the Graduating Class of "51".

LETTERS FROM THE LOVELORN FROM POMEROY

Dear Lovelorn Lou,
I have an awful problem. I like this one boy and he likes me a little bit, but there's this other boy who follows me around all of the time. He simply can't take a hint and I don't know how to get rid of him. My girl friend likes him very much, also. Please advise me.

Yours heartbrokenly,
Worried Winnie.

Dear Worried Winnie,
I would advise you to wear a corsage of skunk cabbage or some very repulsive perfume. It might not work very well because it would also drive away the wanted guy. I also advise you to start liking the guy you don't like. It might end up all right then.

Lovelorn Lou.

Dear Lovelorn Lou,
I had a steady girl-friend but another girl said I went out with her and my girl friend quit me. Can you solve my problem?

Gorgeous George.

Dear Gorgeous George,
I advise you to send a note and some flowers and don't go out with anyone until she will go out with you. Also, if she is so jealous I would advise you to get another girl.

Dear Lovelorn Lou,
I like this girl very much and she won't pay any attention to me because I have red hair. What should I do? I'll go mad if she won't start liking me.

Yours crazily,
Romeo Red.

Dear Romeo Red,
I suggest you shave your hair all off of your head. She wouldn't be able to see it, then. If she doesn't like short haircuts I suggest you start liking another girl who does like red hair.

Lovelorn Lou.

Dear Lovelorn Lou
I have an old grey Ford and my girl friend won't ride in it because it's so hard to handle and I can't drive with one arm and none of my friends will buy it for the same reason. Please help me solve my problem.

Yours,
Hotrod Harry.

Dear Hotrod Harry,
I suggest you shop around and find a family man to sell your car to as the wife will probably be so busy with her children that she won't mind if her husband drives without putting his arm around her. Another suggestion is that you should buy another car and put your old one in the junk yard.

Lovelorn Lou.

Young Animals

Even a slight change in feeding schedule can cause a digestive upset in young animals just as it does in human beings.

HENS

Boy—Mother, I just found out that white hens are smarter than black hens.

Mother—Why do you think so?

Boy—Because black hens can lay white eggs but white hens can't lay black ones.

SHE'S RIGHT

Peggy—Grandma says I have a frog in my throat.

Mother—Take a drink of water, dear.

Peggy—But, Mother, you can't drown a frog.

Boy—Which is correct, Bill or William?

Teacher—William, of course.

Boy—It would sound kind of funny to say, "There goes a duck with mud on his William!"

Honor Students of Graduating Class

Valedictorian for the graduating class of 1951 will be Esther Wine and Donna Shively will be salutatorian. Both scholastic leaders have been active in high school affairs. Esther is well known for her work on the annual and student council. Esther is Editor of the annual this year and has been secretary of the student council for the past two years. She has been an active member of band and of the triple trio the four years of high school. She was president of the Debate Club last year and earned her debate pin through declamation. She attended girls state.

Donna has done lots of work in the school clubs and social activities through all four years of high school. She was an active member of band and accompanist for solos. She worked on the annual staff and this year is organization manager. She is a member of FHA and GAA.

The requirements to become a member of the honor roll was to maintain a "B" average through all four years of high school. Those named for the senior honor roll are: Rose Cash, Laura Higgins, Ruth Vedder, Glen Hosley, Argyle Lester, Esther Wine, Donna Shively, Virginia Wagner, Rosalie Space.

Save Poultry Feed

Spilled feed is expensive litter. To save the wasted feed, fill the hoppers only two-thirds full. Also, supply only enough feed for one day's use in a hopper of the right size.

Radar

The word radar is made up of the first letters of the phrase Radio Detection (the direction of the target sought), And Ranging (its distance away). Radiolocation is another word for the technique.

Fads 'n' Fashions

Spring is sprung. The grass is riz. And the flowers are all over the print dresses and skirts that G.H.S. girls are wearing these sunny days.

Waffle-weave seems to be the most popular fabric with the gals this spring. Proof: Yvonne B.'s, Phyllis L.'s, Donna T.'s, and Rita C.'s skirts.

More waffle-weave is in the "cute" aqua sun dress of Marian Ackerman's.

That all-colored shirt of Hal Segger's is really different—quite eye-catching!

Low-necked blouses and full skirts seem to be the main garb of every girl in G.H.S. 'long about now.

Blouses with no sleeves are quite the thing in which to acquire a tan. Donna S., Gail D., Martha S., and Moly C. are some of the would-be tanners.

Those flashy T-shirts (the ones with the gals) seem to be all Lloyd A. and John S. will wear these days.
