Jr. Class Presents "Jumping Jupiter"

The Junior class will present the hilarious farce "Jumping Jupiter" in the high school auditorium on November 20 and 21.

Headlining the cast in this amusing comedy will be Shirley Owen, Juanita Newby and Dallas Smith. Others in the cast include: Pat Pell, Mary Rider, Karen Landreth, Harold Dean Edwards, Bob Fisher, Joan Wieder, Marlene Walker, Lowell Martin and Bob Beardemphl. The play is directed by Mr. Armstrong.

This promises to be a night of real enjoyment for all concerned. Spectators will double over at the amusing situations, witty lines, and the sharp character contrasts that has made "Jumping Jupiter" a leading choice among many of the schools this year.

Don't miss this terrific entertainment! Get your tickets early! This is bound to be a sellout!

ACTIONS OF STUDENT COUNCIL MONTH OF OCTOBER

Student Council met October 23, for the purpose of approving a new point system for the band. A discussion on a point system for offices within the school followed and a motion was carried for the President to appoint a committee to look into the possibility of having students' handbooks.

Student Council met again on October 28, someone was appointed to send for another school's handbook. A motion was made and carried that Student Council would buy a trophy and the class or club who wins first prize for their float in the Homecoming Parade will have their name engraved on it each year, the trophy will be kept in the trophy case.

Student Council also decided to try and keep students from soaping or waxing windows on Halloween in appreciation of the business men closing for games. Students were then assigned to the grade school rooms to talk on Halloween pranks.

PEP BAND TRAVELS

The pep band has been following the team to the out-of-town games to give them all the support they can. The pep band went to the Orofino game and the Kamiah game. They traveled in private cars to both games.

At Kamiah both pep bands were combined to drown out the sound of the rain.

BAND PRESENTS BAND SHOW FOR HOMECOMING

The band presented a band show honoring alumni during the half of the homecoming game with Lapwai. The band marched onto the field in sections, followed by regular formation, and then the formation of "HI ALUM". They, then went back into formation and then formed a schoolhouse with the majorettes as the school children. Next, a spiral was formed and the ever-popular "Alma Mater" was played. The band marched off the field in single file.

Marlene Walker, Dist. F.H.A. Pres.

The Grangeville F.H.A. chapter's first project this year was getting ready for the District Meeting held here on Oct. 11. The main purpose of this meeting was to elect new district officers which were as follows: Marlene Walker of Grangeville, president; Joan Ramsteadt of Moscow, vice president; Karen Landreth of Grangeville, secretary-treasurer; Carol Jacobs of Moscow, parliamentarian; Sheri Condell of Troy, historian; Joyce Adams of Deary, recreation chairman; Mary Jo Wilcox of Lewiston, degree chairman; Mary Jo Schmidt of Greencreek, song leader. The meeting was a great success and Grangeville hopes to have it again next year.

The week of November 2—8 was proclaimed by Governor Jordan as National Future Homemakers of America Week in Idaho.

The first project for National F.H.A. week was attending 10:00 services at the Catholic church and 11:00 services at the Community church on Sunday, November 2. Then on Wednesday, November 5, a tea for all the teachers was held after school in the Home Ec. room. Jean Todhunter, Deloris Chicane, Shirley Rhoades, Sharon Rupe and Marlene Walker gave talks on the purposes and projects of F.H.A. The tea was a great success. Thursday, November 6 was set aside as "no gripe" day for all F.H.A. girls.

DEBATE AND DRAMATICS UNDER CONSIDERATION

On November 10, a group of students met with Mr. Armstrong and Mr. Bunting to discuss debate and one-act plays.

The debate question this year is: "Resolved that the United States should take the initiative in forming a Federal Union of all the nations of the World." There will be the District and State meets as usual this year. Anyone interested in taking debate please notify Jane Heron.

We discussed having one-act plays and our first will be given at a Christmas assembly. Student director, Shirley Owen, Mr. Armstrong, and Mr. Bunting will pick the play and cast the different parts.

Chorus Plans Christmas Concert

"Jingle Bells, Jingle Bells", is what you will be hearing from Agony Hall every Tuesday and Thursday morning, first period. You guessed it, the High School Chorus is practicing Christmas music already.

According to Mr. Lyon, the chorus has nine, four part pieces to learn before the annual Candlelight Concert, given during Christmas.

If possible there is to be two Tripple Trios this year. The first one has already been chosen, with the following results:

Soprano: Shirley Kaufman, Marlene Walker, and Carol Whittet.

Second Soprano: Karen Jordan, Joan Moore, and Shirley Rhoades.

Alto: Mary Kay Dufur, Bonita Becker, and Jane Heron.

Accompanist: Deloris Chicane and Bonita Becker.

Mr. Lyon also has plans for organizing a Barber Shop Quartet, which will consist of four boys and a Beauty Shop Quartet, consisting of four girls. So, the battle of voices begins.

Letter To The Editor

This football season was one of our best seasons, not just because we lost only one game, but because of the enthusiasm of all the boys who came out for football and played for their high school which should be an honor and a privelege. These boys worked hard to make the team and if you were on the first string, you always had someone pushing you for your position on the team which made you work harder and play better.

You might think that the football boys and coaches get all the credit for winning a game, but if you really come down to the sound facts, football would be a very dull sport to play if it was just two teams playing against each other with no one around to cheer for their favorite team. If you have ever played football then you know the thrill of running out on the field while people cheer, the band plays colorful music, and the cheerleaders giving yells. There are people behind you—win or lose.

This year our Student Body has been behind our football games 100%. The band has done a wonderful job between halves and the cheer leaders have also done a wonderful job in keeping the spirit in the crowd and making football a true sport.

CROSS COUNTRY SEASON OVER

The cross country team, a new sport of Grangeville, finished their season by coming in 4th place at the Banana Belt meet. The Bulldog

Bigger and Better Annual Planned

The Annual Staff under the able leadership of Mrs. Caine, organized this year with the aim of presenting the students of G.H.S. with a bigger, better, more colorful yearbook! The Staff Officers and members are: Editor in Chief, Jane Heron; business manager, Bill Wagner; organization manager, Carol Sue Ailor; snap editor, Karen Jordan; Juniors, Lowell Martin, Juanita Newby, Shirley Owen; Sophomores, Eddie Kale, and Ken Brust. Staff members are chosen from each year's Freshman class and they serve the full four years of high school. Requirements for membership are based on scholarship, school activity, co-operative-ness, and responsibility. The new members have been selected, but as yet have not been passed on by the Student Council.

Meyers & Company, of Topeka, Kansas, will be publishing the 1953 Blue Camas, and the staff promises you some improvements, new features, and surprises!

A Snap/Sale was recently sponsored by the staff, and also we sold programs for two football games. We are planning a Hobo or Shadow Social and other activities for the coming school year.

Bulldogs Win From Kamiah

The Bulldogs ended a successful season tromping the Kamiah Kubs 33-6. The win put Grangeville in second place with a 5-1 record topped only by the district champions from Genesee.

The Bulldogs starting slow didn't break into the scoring column until late in the first half. Hausladen passed to Hardin who then lateralled to Eimers who carried the ball over. Smith's kick was good for a 7-0 half time lead.

The third quarter was scoreless with both sides playing good defensive ball. In the final period the Bulldogs broke loose for 4 touchdowns and 2 conversions to put the game on ice. Hausladen carried over the second touch down through the line. An on-side kick enabled the Bulldogs to score again on a pass to Johnson. After an intercepted pass Eimers scored to making score 27-0. Kamiah then ran for its only score of the game. A pass to Wagner gave the Bulldogs the 33-6 win.

The Snap Drive Is On!

EDITORIAL

There has been some comment about, "There aren't enough jokes in the Informer. It's always just news." I gather from this that most of you don't exactly understand the standards for a school paper.

Each year there is a journalism meeting held in the state of Idaho. At these meetings various school papers are entered in contests and are given a state rating by journalism judges. In order to compete in this judging and receive a state rating, a school paper must meet certain requirements set up by the state journalism judges. One of the main requirements is that the school paper be set up and published just like a newspaper.

We could easily use pages of jokes in the Informer instead of putting them in as filler as we now do, and we could also have a gossip page in it. All this would probably be very interesting to the students. But the Informer is supposed to be a newspaper and a newspaper never has pages of jokes and gossip.

The objective of the Informer is to publish news of the school and any other news connected with it. Probably you get tired sometimes of reading of past school events that are published in the Informer, but alumni, townspeople, and other schools read our school paper and most of the articles published in it are news to them, whether it is past or future news.

But all in all the Informer is for the benefit and pleasure of the students and the staff would be glad to accept any suggestions offered.

The Informal Informer which comes out between issues of the Informer is considered a magazine; therefore it contains many more jokes and feature articles than does the Informer. By having both papers we have a combination of both jokes and news, which we hope is enjoyable to all.

★Who's Who's It

She is a newcomer to G.H.S. and a member of the Senior class. She is 5 ft. 7½ in. tall, blue-green eyes and dark blonde hair. She is always giggling and always has a friendly "hi" for everyone.

Her likes are; being a Senior; chorus and apple pie. Her dislikes: Basketball and dieting.

A THANKSGIVING MEMORY

Another year gone by and Thanksgiving is just around the corner. No doubt your grandmother is remembering a certain Thanksgiving season, when grandfather was sent to order the traditional Thanksgiving bird. She still remembers that bird. He was all fuss and feathers. That wasn't the worst of it though. Grandfather had picked him out much as he would choose a prize horse or other valuable animals. When it had arrived, a few days before the festive holiday, a well built and wholly unappropriate cage was waiting. A few handfuls of corn made a big improvement over the turkeys dimensions. It made an even larger improvement over his and grandfathers relationship. That was the first year that that family had ham instead of turkey for Thanksgiving dinner.

Perhaps some of your parents are thinking of the Thanksgiving during the depression. At that time not too many people had feelings of Thanksgiving, however. Those who did were merely thankful to be alive and not in a worse state than they were. The years in between have made a lot of good changes for which we should be thankful this Thanksgiving.

Speaking of memories of past Thanksgivings, we might as well mention some of those experiences of the younger generation. After all who got blamed for robbing the ice box of most of the cold turkey which was left from Thanksgiving dinner? Don't mention it but I don't think little brother was the only one who suffered serious effects of too much turkey, stuffing, mince pie, etc. Seems to me Dad wasn't looking any too happy, although he didn't say anything.

Seriously thinking though, Thanksgiving is an occasion of many memories. Let's make this one the most memorable of them all by making it the happiest and the safest.

SCHOOL VOTES REPUBLICAN

For the first time in quite a while, the school went Republican for president. Dwight Eisenhower won over Adlai Stevenson, 210 to 164, a margin of 46 votes. In the National Election, Eisenhower won by an overwhelming majority. Most of the school election did go Republican with 8 persons winning offices, these were: Gib Eimers, State Senator; Fred Jessup, State Representative; C. E. Cummings, County Commissioner; Ward Sewell, County Commissioner; Ivan Woods, Prosecuting Attorney; W. J. Soltman, Assessor; John Rice, Probate Judge; Pritchard Crowell, Coroner. The Democrats who won were: Gracie Pfof, Congress; Bud Taylor, Sheriff; Margaret Shira, Treasurer. It was somewhat different in the National election. Joseph Kaschmitter defeated Fred Jessup for State Representative, Nitz defeated Cummings for county commissioner, C. H. Geockner won over Soltman for assessor.

There were two school votes for progressive ticket. 99% of the school voted who were present.

Know Your Teacher

Mr. Armstrong was born in Chicago, Illinois and attended high school in Mandovi, Wisconsin at the Mandovi High School. He received his teacher's degree at Wisconsin State College in the town of River Falls, Wisconsin.

His pet peeve is: silly questions.
His favorite food: anything.
His likes are: golfing, reading, and teaching school.

His dislikes: students who do not put forth enough effort in school.

Mr. Armstrong teaches Sophomore, Junior, and Senior English and is also a teacher of drama and debate.

Grangeville is the first place Mr. Armstrong has taught since he received his degree and, when asked how he liked teaching here he replied, "Fine".

We like having you teach us, too, Mr. Armstrong.

★Senior Class News

The date of the Senior ball has tentatively to January 24, as a game with Craigmont is scheduled here for the 6th of December.

In a class meeting held October 20, the Seniors discussed having an all-school play. The play would be sponsored by the Senior class and the proceeds would go to them, but there would be talent from each class. If enough pupils turned out, a double cast could be had; this would make it possible to have a different cast in the play each evening. The Seniors would have first preference to the parts. Nothing definite was decided upon.

The political campaign sponsored by the Seniors proved to be a success. We hope there can be many more like it.

STARS ON TELEVISION

A home talent play, Shooting Stars, was given in Grangeville, November 6 and 7 in the I.O.O.F. hall. The theme of the play was that television was seen coast to coast for the first time in history.

The television cameras started rolling promptly at 8:13 both nights. To the delight of everyone there were many varied acts. For the smaller children, the story of "Snow White and the Seven Dwarfs" was presented.

Some of our more ambitious high school girls portrayed the life of back stage beauties mopping their way to stardom.

Roy Acuff introduced to us the Sons of the Pioneers and the "Happy Hayriders," who put the audience in a western mood. It is rumored that Roy Acuff teaches Am. History and Agriculture in G.H.S.

The most enjoyed act was the "Pretty Babies" scene. Some of our most prominent townsmen were seen portraying famous people as babies. One night we saw Eleanor Roosevelt but she wasn't there the next night. Do you know what happened to her, Mr. Miller?

No radio or television show is ever put on without a commercial of some kind. This show was fortunate to have the best man of our time as commercial singer, Mr. Bill Eimers.

The play was directed by Miss Mildred Buchanan of Pittsburg, Penn. She was sponsored by the Oddfellows.

ELKS HALLOWEEN DANCE

The students of G.H.S. "swing and swayed" to the music of Fenn's great name band in the Elks Ball room, Halloween night. Instead of getting into mischief of all types they were busy eating doughnuts, drinking cider and coke, and jitterbugging.

This dance was sponsored by the Elks. We, the students of G.H.S., say "thank you" to the Elks and we are looking forward to the promised masquerade next spring.

NEW BOOKS DONATED

"The Lewis and Clark Expedition" written by Richard L. Newberger was donated to the library by Eddie Gross bearing this inscription: "This book is presented by Eddie Gross, to the Grangeville High School in memory of Larry Flint who was killed by the accidental discharge of a hunting rifle. October 1952."

Among the list of new books are two that would most interest the American history and American government students. "The Autobiography of an American Enterprise" by Dupont is very well illustrated and has useful information on American history. "The Presidency; A Pictorial History of Presidential Elections from Washington to Truman", by Stefan Lorant gives stories of the actual various campaigns from Washington to Truman.

Mr. Sulliavn requests all books be returned on time.

"No", said the man at the wheel, "I can't say I've ever had to complain of back-seat driving. In fifteen years I've never had a word from behind." "What kind of car do you drive?" "A hearse."

"G" CLUB PLANS DANCE

Initiation plans were discussed at the meeting Monday, Nov. 3rd. The "G" Club has had one of the best initiations of all the high school clubs, so beware initiates. The date for initiation was set for Monday, Nov. 17th. Due to the fact that the Informer went to press before initiation, the names of the initiates will be published in the next issue.

They also discussed plans for a Jance. The date was set for Nov. 29 in the Elk's hall. It is a semi-formal. Admission is 10c per couple. Tickets will be sold in advance by the "G" Club members.

BULLDOGS SKIN WILDCATS FOR HOMECOMING VICTORY
 The Bulldogs playing before the first Homecoming crowd in Grangeville edged a fighting Wildcat team 14-12. A good sided crowd turned out to see Lapwai recover the kick-off, then drive for the first score of the game. The try for point failed, leaving the score 6-0. The Bulldogs came roaring back only to fumble on the Lapwai one-yard line to end the first quarter.
 The second quarter started slow with fumble and an incomplete pass for the Bulldogs. Driving to the Wildcat 10-yard line Johnson swept the end for the first Bulldog score. Smith kicked for the point to put the Bulldogs in the lead 7-6. With 5 seconds remaining in the half Eimers plunged 5 yards for the second Bulldog touchdown. Smith again kicked the extra point giving the Bulldogs a 14-6 lead.
 An on-side kick by Suhr failed to help the Bulldogs score in the third period.
 During the final period Lapwai took to the air. A 20 yard pass gave them another touchdown. The Bulldog line stiffened to stop the try for point. Before the Wildcat had a chance to make up the 14-12 deficit, the gun sounded ending the game. It was the Bulldogs fourth win in five games giving them second place in the district.

What are some ways to improve the Study Hall?
KING BLOCK—Kids should respect each other more.
DON KISSINGER—Clean up on all study hall teachers.
SANDRA LANDRETH—Gum chewing and talking privileges.
CHARLES EVEREST—Tear out all the desks and seats, and have davenos to sit and lay on.
TOM VOPAT—Let the kids talk, chew gum and do things they want to do.
JERRY REYNOLDS—Have double seats so the kids can sit together.
KAREN LANDRETH—Tear all the seats out and have a dance.
JUNE INGHAM—The teachers should let the kids speak as long as they like.
ANNE SCHWARZ—I think we should install a candy and gum counter.
MR. SULLIVAN—Exercise the basic common courtesies.
HAROLDEAN EDWARDS—I think it is kind of quiet; we should have more noise in general.

BULLDOGS TAKE POTLATCH 20-13
 A second half Bulldog team came from behind 7-13 to beat the Potlatch Loggers 29-13. Eimers scored the touchdown in the first half with Johnson's kick for point good. In the third quarter Johnson carried the ball over for the score. Johnson again kicked the point to put the Bulldogs in the lead. In the final period Hausladen scored the final touchdown giving the Bulldogs a 20-13 lead.
