BULLDOGS TROUNCE KENDRICK TIGERS

The high-spirited, hard fighting G.H.S. Bulldogs smothered the Kendrick Tigers with the score reading 25-0 in the opening game for the bulldogs, which was played on the 22.

The Bulldogs received the kick-off with Jerry Flemming retrieving the ball for 20 yards which started them on a march that went to the Kendrick 5 yard line threatening their goal.

The Bulldogs then lost the ball to the Tigers and after an effortless attempt they kicked. The Bulldogs received the ball and brought it back to the 15 yard line and Eimers ran it over for the first score.

The four touchdowns made by the Bulldogs were made by quarters, one each. Gilchrist made the 2nd score with an end run; Melvin Cash took the pigskin for the 3rd score when he made a good run of 68 yards; Ackerman made the conversion for the 3rd touchdown and the 4th touchdown.

Kendrick's coach, Dennis Roscoe, sent his men in with an offensive Notre Dame Box style, while G.H. S. coaches, Albert Olsen and Jackie Ulrich, sent the home team into a single wing 5-3-2-1 defense.

Kendrick made 6 first downs. Grangeville 8. Kendrick fumbled twice, recovered 3. Grangeville fumbled four times and recovered 3. K. tried 8 passes and completed 2; G. tried 9 passes and completed 4. K. blocked no punts while G. blocked 2. K. and G. each intercepted one pass.

The team did a very good job and was well supported by the cheer leaders, the band, the town's people, and by the student body as a whole. Let's keep up the good work in all of our school activities.

Idaho County Fair Colorful Spectacle

Six or seven thousand people! Quite a crowd. But that was the estimated number attending the 17th annual Idaho County Stock Show and Fair at Cottonwood, September 14, 15, and 16.

The evening parade Saturday 16, was a great success. This was the first night parade ever held at the fair and also one of the largest and most colorful. Floats numbering 34 were entered to the theme of "Toyland." All of the floats were lovely and showed great amounts of time, expense and originality. Three cash prizes were given: \$50.00, St. Joseph's School, "Sing a Song of Sixpence"; \$30.00, Cottonwood Cash Grocery, "Hansel and Gretel"; \$20.00, Hoene Implements, "The Old Woman in a Shoe".

As a result of the huge crowds, parking was a serious problem to traffic officers but luckily no traffic accidents were reported.

Besides the parade and Stock Show, the carnival and Stock show dance were well attended.

Certainly this year's fair was one of the very best ever held and will always be remembered.

The Grangeville High School can well be proud of their school band which added much to the spectacle.

SENIORS LEAD SERPENTINE BEFORE OROFINO GAME

You got your pep?!

With over 200 students shouting with all their lung power, it seemed like plenty of pep was turned loose. This was the annual 1950 Pep Rally, held before the Orofino game. The serpentine formed at the school and twisted in among cars and band members. The band led the procession, marching down town and playing spirited marches. On Main street they formed a circle and five yell leaders led the crowd in some rousing yells.

The serpentine, along the band, went back to school for the lighting of the bonfire and burning of the dummy, which represented Orofino. Here there were more yells, and encouraging talks by the coaches and boys on the team.

MANIACS OUTPLAY BULLDOGS FRIDAY

The Orofino Maniacs subdued the Grangeville Bulldogs in the Bulldogs second game of the season played on the home field Friday, September 29.

Despite the wet field and a steady drizzle of rain the game went on to the finish with Orofino taking the honors that read 26-7.

Orofino's hidden ball plays and aerial attacks kept them on a drive that went all over the field.

Orofino had a total of 21 first downs while Grangeville received 6. Following is the score by quarters:

Orofino: 13, 7, 6, 0—26.
Grangeville: 0, 0, 7, 0—7.

Grangeville came back the second half determined to go places. The then marched down to the Orofino goal and Lloyd Ackerman carried the ball over for the only Grangeville touchdown. The conversion was made with a pass from Glenn Johnson to Gene Shira.

	O.	G.
First Downs	21	6
Passes Tried	10	7
Completed	6	3
Incompleted	4	4

Penalties	1	2

Grangeville worked with everything they had during the last half of the game but the first half was too hard a blow on them and it took them quite a while to get back on their feet and show what they had.

The Bulldogs travel to Potlatch October 6 which is predicted to be a good game. Potlatch is generally a tough team and hard to beat.

STUDENT COUNCIL

The first student council meeting was held third period September 26.

Discussion took place on the lighting of the football field. It was decided that \$1,000 from the student body funds was available and would be used for this project.

It was decided that President Glen Hosley and John Vrieling would be sponsored by the student body to be sent to Pullman, Washington for the pre-legislative meeting on October 27 and 28. This will enable them to go to Boise in the spring for the main legislative meeting.

EDITORIAL

Are you doing your part to welcome the Freshmen and the new students to our school?

In the past it has been said that it is rather difficult to get acquainted with the G.H.S. students. Do you still want our new students to have that impression? Of course, you don't! Since there are so many new students this year it will be a good project for us to be more friendly. Not only should we welcome the new students but we should not forget to make the freshmen feel a part of high school. Let's give them a chance to express their ideas freely.

Stop! All natives of G.H.S. do your part in helping them fit into our student activities.

NATIONAL ASSEMBLY

September 13, we had our first National Assembly. Mr. America of 1948 gave a lecture on why we should keep ourselves physically fit. He showed us some exercises to use in keeping ourselves healthy and build strong muscles.

He demonstrated some of the poses used in the Mr. America contest.

I am sure we all enjoyed the assembly and are looking forward to many more.

F. H. A. Club

This year's F.H.A. School Club term was opened by President Evelyn Johnson in their first meeting September 21, in the Home Ec. Room at 7:30. One of the most important things discussed was the F. H. A. District Picnic at Spalding, September 30. Deary, Lewiston and Moscow are attending. Some of the new additions to the club will be individual year books, song books, and a new Song Leader—Gail Dennis.

Committees for the Harvest Ball, October 17, are: Refreshments, Yvonne Bentley; Decoration, Gail Dennis; Program and Orchestra, Marion Ackerman.

Admission per couple is 50c. At intermission time the president will draw from a hat the name of one F.O.A. girl who will then be made Queen and her date will be king of the ball. Girls will call for dates to really carry out the "girl date boy" theme. Our next meeting will be held at Donna Shively's home and will be formal. The senior club girls will furnish refreshments for this meeting.

Used clothes that had been collected for another cause will be sent to the "World Christmas Drive."

F.H.A. week will be observed by girls wearing F.O.A. hats and red and white anklets.

"Surely," replied the kind old soul, "I'll get you a spoon and a glass of water."

New Volcano

If you have ever felt as if you were sitting on top of a volcano, you can understand the plight of the Mexican farmer who in February, 1943, was placidly working in his cornfield on the site of what is now the volcano Paricutin. The initial eruption occurred only a few feet from the astonished peon, and resulted in a volcano mountain of over 1,000 feet within ten months.

Senior Synopsis

He's handsome, he's neat, he has get up and go,

And all of his friends say he's a regular "Joe".

He's 6' 3" and is quite a sight,

In playing sports and in conducting meetings right.

Some call him Babe while some call him Glen,

But has always a grin for either name you intend.

—o—

Our girl this week is a sweet little miss,

She plays the piano with gayety an' swish.

With reddish-brown hair that gleams in the light,

She really makes quite a spectacular sight.

Her weight one-fifteen, her height five-feet-four,

Which really adds up to a well-rounded score.

She has cute little freckles all over her face,

Who else could this be but Rosalie Space.

—o—

Our last one this week is really a pip,

He goes down the halls with what we call zip,

He plays quite industrious on our football team,

And drives a white Chevie whenever seen.

He's the life of the party and his pal Norm says he's a crook,

But we know he is not because he's Bill Rooke.

TWIRLERS

The Band chose two additional twirlers last week from a group of eight who tried out. The two who were chosen were Alvine Hazelbaker and Sheri Smurthwaite.

Following the twirling tryouts a short pep assembly was held. G.H.S. learned a few new yells and practiced the school song.

CONCESSIONS

For the home football games this season, the different organizations are in charge of concessions. Twirlers have taken care of Pop sales for the band. The F.H.A. has been selling candy with Evelyn Johnson in charge. Boys "G" Club has been selling popcorn.

SOPHOMORES WIN!

At the all-high mixer Friday night the sophomores won the contest for having the most students from their class present. There were 22 sophomores, half of their class, and all together there were 90 students.

The mixer got off to a good start by different groups of students taking part in a skit. The purple group won this contest.

There were novelty dances of all sorts. Some were square dancing, broom dance and shoe dance.

The Home Ec. girls made cookies for the dance and the senior boys provided the cider.

Thanks, Mr. Bunting

The Faculty and student body would like to express their appreciation to Mr. Bunting for donating 30 books to the High School library. The books are on the shelves ready for use by either faculty or students!

Who's Whoosit?

Our first "Who's Whoosit" of the year is taken from our new high school group, the frosh.

This girl has dark brown hair, pretty brown eyes, weighs 112 pounds, and her height is 5'5". Hold yourself boys!!

Her likes are candy, ice cream and her favorite colors are red and green.

Among her dislikes are the continuous asking of people to please get their feet down from the seats in the theatre and science class.

Mr. Klappenbach rates highest on her list of teachers and P. E. is her favorite subject.

Some of her sayings are "Corn", and "Gosh Darn It,," and she is secretary of the freshman class.

Her name will be in the next issue of the Informer if you have not guessed her by now.

Hardin; Secretary, Karen Landreth; Treasurer, Joan Weider.

The President appointed Lloyd Litchfield chairman of the bonfire committee and requested the entire class to help the committee.
